Education

Shri Vile Parle Kelawani Mandal's Institute of Technology, Dhule	*2026*
B Tech Information Technology	CGPA/Percentage: 7.6
JaiHind Junior College(HSC)	*2022*
Class XII	CGPA/Percentage: 89.50
St Ann's English School	*2020*
Class X	CGPA/Percentage: 88.80

Technical Skills And Interests

Languages: C++, Python

Web Designing: HTML, CSS, JavaScript

Android Development: Dart

Software: VS Code, Android Studio, Canva, Figma

Framework: React.js, Flutter, Laravel, Express.js

Database: MySQL

Analytics: Tableau, MATLAB, Google Colab

Operating System: Windows

Experience

Brandghar Pvt Ltd– Mobile App Development Intern

- Contributed to the development of a cross-platform eCommerce mobile app using Flutter and Dart, implementing Firebase authentication, integrating REST APIs, assisting with localization, Android/iOS build deployment, and collaborating with a team using Git and agile tools to gain real-world development experience.

Smart Logic Technologies-IoT Intern(September – November 2023)

- Developed sensor-based automation solutions using Arduino and Embedded C, including real-time data logging systems for continuous monitoring.

Projects

Single vendor E-commerce App

Built a cross-platform eCommerce system consisting of a user app for shopping and a delivery man app for managing order deliveries. Key features include Firebase authentication, product browsing, order placement, real-time order tracking, delivery status updates, push notifications, and multi-language (i18n) support. The app integrates RESTful APIs, follows clean architecture, and was developed using Flutter, Dart, Android Studio, and Git for version control.

– Concepts: Flutter, Dart, Firebase, REST API, Android Studio, Git, JDK 17, Xcode, Localization, Cross-platform Development, Mobile App Deployment

Attendance Management System

Developed a web-based Attendance Management System allowing users to mark attendance, view records, and manage

student data through a simple and responsive interface with backend data handling

– Concepts: HTML, CSS, PHP

Technical - Presentation/Workshops/ Certifications:

- Recognized as a "Timely Coder" at C++ Bootcamp, *IIT Bombay, Mumbai* – Feb 2025
- Selected Participant**,** ACM Summer School, *SSGMCE College, Shegaon* – July 2024
- Certificate of Participation**,** AICTE IDE Bootcamp, *MGM University, Chhatrapati Sambhaji Nagar* – Sept 2024
- Certificate of Participation**,** ACM Summer School, *FLAME University, Pune* – June 2025
- Infosys Pragati Cohort 3 Member, *Infosys Limited ,Pune*

- Top 10 Finalist, Avinya 2.0 Hackathon
